# Line Card

## Detection Systems

- smartmicro radar detection systems for stop bar and highway applications
- Video Detection Systems for stop bar and advanced detection
- FLIR Thermal Detection Systems for stop bar, advanced, bike and pedestrian detection
- FLIR Thermal Pedestrian and Bike Detection Systems
- FLIR TrafiRadar Hybrid Detection
- FLIR Sensors for Wrong Way Driver Detection
- Automated Incident Detection Products including tunnel and fire detection

## Traffic Management & ITS Systems

- Q-Free NEMA and 2070 ATC Controllers
- Kinetics Mobility Management System
- MAXTIME Local Controller Software
- MAXTIME Adaptive Signal Control Software
- MAXTIME Connected Vehicle Software
- MAXTIME Ramp Metering software
- Open Roads Freeway and Congestion Management Software
- FLIR Cameleon and FLUX Video Management Systems

## Smart City Sensors

- Danlaw CV OBU and RSU Antennas
- Smart Intersection Safety Analytics and V2X
- Near Miss, Wrong Way, Red Light Violation and other Signal Safety Analysis
- ATSPM Reports
- Travel Time Analysis
- Congestion Management Systems
- Origin / Destination
- Turning Movements Counts
- Parking Guidance Sensors
- Open Roads TMS
- Truck Parking Sensors

## Cabinets and Accessories

- Multilink Battery Back Up Systems
- Detector Racks
- CyberSecure ITS Cabinet Locks
- Conflict Monitors
- Detectors, Load Switches, Flashers
- Remote Cabinet Monitoring and Remote Control
- Slim Design LED Street Name Signs
- Blank Out and Lane Control Signs
- ITS Enclosures and Cabinets

## CCTV Systems

- Bosch ITS PTZ CCTV Systems
- Axis PTZ CCTV Systems
- FLIR Optical and Thermal PTZ Video Surveillance

## Switches and Modems

- Layer 2 Ethernet Switches
- ComNet Managed Switch
- DIGI Cellular Modem
- DIGI 170 Ethernet Cards
